THE PACIFIC

SATURDAY King Kalakana with the Masons in

Hongkong. THE "PERSEVERANCE" LODGE. It will be remembered that on the evening of the 13th instant, His Majesty, King

Kalakaua, of Hawaii, visited the Victoria Lodge of Freemasons, No. 1,026 (W. Bro. E. C. Ray, Acting W. M.,) and was then received and entertained with the honours due to his exalted rank and his high position in the craft. At the regular Meeting of the Perseverance Lodge, No. 1,165, E. C. held last night (20th) His Majesty was again present, and Col. Judd, by especial dispensation of the D. D. G. M. and the courteous permision of the Victoria Lodge, was passed, with two other entered apprentices, to the Second or Fellow Craft Degree. The D. D. G. M. Right Worshipful Bro. C. P. Reduced to 30c

Reduced to \$1.75 and \$2 per pair

Sin

Carter and His Majesty were, on entering the Lodge, received with due honours; and then, on the call of the D. D. G. M., the King was duly saluted, and afterwards the D. D. G. M. according to ancient form. The dispensation having been read, the business of the evening was then gone through, the W.M., the D. D. G. M., Worhsipful Bro. Dennys taking part in the same, the S. W. delivering the lecture. The working of the Lodge was admirable from beginning to end, and the brethren and visitors were alike edified and instructed.

Before the Lodge was closed,— The Worshipful Master said: Worshipful Sirs and Brethren,—In this advanced age, the universality of Freemasonry must be apparent to all, but I think the fact is more generally appreciated by the Craft itself; it is we, Brethren, who realize, who know before all others, that its benefits are as equally extended to the Peasant as to the King. We are careful invariably to impress upon our candidates for Initiation that even Monarchs themselves have not hesitated to lay aside the Sceptre for the Trowel in order to join in our ceremonies. It is not and this is the first time in the annals of this Lodge that we have been honoured by evening an honorary member of this Lodge; and I may mention that His Majesty is not averse to this: I beg to move, Brethren .- "That the name of our Right Worshipful Brother, His Majesty the King of Hawaii, be added to the roll of this, the Perseverance Lodge of Hong Kong, No 1165

The vote was then taken on the proposition in the maner usual amongst Masons; and the Royal Brother was declared duly

—I thank you very much for this high hon-our and privilege that you have allotted me to-night in proposing me as an Honor-ary Member of the "Perseverance" Lodge, ary Member of the "Perseverance" Lodge. It is a great pleasure to me to accept your kind proposition; though unexpected, I am willing to accept the privilege you tender me. I have felt very much impressed by, and feel very much pleased to see, the progressiveness of Freemasonry in this part of the world; and the proposition which of the world; and the proposition which has been made, and which you have been kind enough to approve to-night, will only add another link to the kind feeling and good-will you have shown me during my visit to Hongkong. I assure you, gentlemen and brethren, that when my travels are ended and my tour round the world completed, when I return to my native Home, I shall carry with me the brightest remembrance of the kindness that you have all shown me during my visit here. Again, I thank you for your kindness and for the

honour you have done me.
